### Authorship Responsibility Form

#### The authors attest that:

- The manuscript has not been previously published and is not currently under consideration for publication elsewhere, nor will the research reported be submitted for publication elsewhere until a final decision has been made as to its acceptability by Russian Open Medical Journal. Posting of submitted material on a web-site may be considered prior publication and should be noted in your cover letter.
- The manuscript represents truthful and original work without fabrication, fraud, or plagiarism.
- All authors have made an important scientific contribution to the study and are thoroughly familiar with primary data.
- All authors have read the complete manuscript, take responsibility for the content and completeness of the manuscript, and understand that they share responsibility if the paper, or part of the paper, were found to be faulty or fraudulent.
- Permission has been obtained from the copyright holder to reproduce in the work (in all media, including print and electronic form) material not owned by the authors, and the source has been acknowledged.
- This manuscript contains no violation of any existing copyright or other third-party right or any material of an obscene, indecent, libelous, or otherwise unlawful nature, and to the best of the authors' knowledge, this work does not infringe the rights of others.
- Any formula or dosage given is accurate and will not, if properly followed, injure any person.

## Copyright Transfer Agreement

### Author(s) hereby certify that:

1. The author(s) are the sole authors of and sole owners of the copyright in the contribution.
2. If the contribution includes materials of others, the author(s) certify that they have obtained written permission for the use of text, tables, and/or illustrations from any copyrighted source(s), and agree to supply such written permission(s) to Russian Open Medical Journal (RusOMJ) upon request.
3. In consideration of publication of the contribution in the RusOMJ, the author(s) hereby grants to RusOMJ for the full term of copyright and any extensions thereto the sole and exclusive, irrevocable license to publish, reproduce, distribute, transmit, display, store, translate, create derivative works from and otherwise use the Work in any language or in any form, manner, format, or medium now known or hereafter developed without limitation throughout the world, and to permit and/or license others to do any or all of the above. In the event that RusOMJ decides not to publish the Contribution, this license shall be terminated and all rights revert to the author(s).

## National Institutes of Health (NIH) Funding

### Please check the appropriate box(es) below:

- This manuscript was not supported in part, or in whole, by the NIH.
- This manuscript was supported in part, or in whole, by the NIH Award Number:

## 5. Acknowledgment Statement

Authors should obtain written permission from all individuals named in an acknowledgment.

- I certify that all persons who do not meet authorship criteria but have contributed to the work reported in the manuscript (e.g., data collection, analysis, writing or editing assistance) are named with their specific contribution in an Acknowledgment in the manuscript.
- I certify that all persons named in the Acknowledgment have provided me with written permission to be named.
